**Level 3
ELITE TENNIS
AUSTRALIA COACH**

**National and
Olympic Level
TRAINING**

With 30 years of coaching experience and a Level 3 Elite Tennis Australia Coach, Wayne comes highly qualified to Fireball Tennis Academy. Wayne has played at a high level himself, reaching the Victorian Hard Court Championship final in doubles and wins over ATP rank 500 players.

"Coaching has always been my focus as I always wanted to teach more than playing. I was lucky to have a number of excellent role models and mentors from a young age that inspired me to see beyond myself and how an impact on others can be a rewarding life experience. Also, how a dedication and passion for one's chosen pathway is in itself, success of the highest order."

Wayne's training and experience with National and Olympic level physical training mentors and Grand slam and pro level playing/coach mentors have been strong sources for his knowledge and delivery methods.
